

**Understanding
physical development, health and
wellbeing**

We are learning...

- To learn about how to increase our agility, balance and co-ordination.
- To be able to increase our agility by changing our speed, height and direction of movement.
- To be able to balance on a range of objects using different parts of our body.
- To create our own healthy food lunch box.

Understanding the arts

We are learning...

- To investigate texture in art.
- To look at how artists use their natural environment to help them to paint.
- To use nature to paint around us.
- To look at how famous artists use texture. To investigate textures in our environment. To investigate ways of making different textured surfaces using different mediums.
- To investigate high and low pitches in music. To describe and compare sounds and how different instruments make them.

Design and technology

We are learning...

- To design and make our very own magical secret garden.
- To create secret lanterns of magical mystery.
- To follow a simple recipe and make a range of simple meals.
- To be able to use a range of materials and skills to create a fairy tale enchanted area.

Technology understanding

We are learning...

- To log onto a computer independently following a set of instructions. To control a mouse to make things happen on the computer.
- To be able to create a short story on the computer and print it independently. To store and retrieve work.

**Scientific and
Technological
Understanding**

We are learning...

- To learn about the features of a plant.
- To be able to name, label and describe the functions of a plant.
- To predict what might happen if you remove something that a plant needs (i.e. light, water, soil)
- To create our own magical secret garden.
- To look after our own gardens and compare a plant and a weed.

Personal and Social understanding.

We are learning...

- To think about different groups we belong to.
- To understand why groups need rules.
- To think about how our actions affect others in the group.
- To learn about and understand why we celebrate Harvest Festival.
- To think about what is good about me and why it is good to be me.

If you have anything at home that fits with anything we are learning please send them in to share with the class. Thank You!
